## INTERNATIONAL WOMEN'S DAY MESSAGE

BRITTANY BERGERON, DDS  
DIRECTOR OF CORPORATE RELATIONS

**IMAGINE A GENDER EQUAL WORLD. A WORLD FREE OF BIAS, STEREOTYPES AND DISCRIMINATION. A WORLD THAT'S DIVERSE, EQUITABLE, AND INCLUSIVE. A WORLD WHERE DIFFERENCE IS VALUED AND CELEBRATED. TOGETHER WE CAN FORGE WOMEN'S EQUALITY. COLLECTIVELY WE CAN ALL #BREAKTHEBIAS.**

2022 International Women's day was celebrated March 8, 2022. This year's global campaign theme #breakthebias focuses on breaking gender biases we all encounter in daily life. Regardless of your racial, socioeconomical, or religious background one thing we all have in common is that we have experienced gender bias at some point in our lives. AAWD stands committed to bringing equality and equity for all women dentists.

"There is so much misinformation out there. Dentistry is complex and overwhelming. There is no way we can learn everything in dental school. Join the ADEA Undaunted Trailblazer Challenge on social media!! This challenge is inspired by the book, *Undaunted Trailblazers: Minority Women Leaders for Oral Health*, by Drs.

Shelia Price, Jeanne Sinkford, and Marilyn Woolfolk. By joining you will honor not only the amazing women of color oral health leaders in the book, but other trailblazing women in our lives who have inspired and supported us!

ADEA is asking its members and friends to identify and share the story of an undaunted trailblazing woman who has personally or professionally inspired you by sharing information about them on one of your social media pages (e.g., LinkedIn, Instagram, Facebook and Twitter). This can be any woman who has had a significant, positive impact on you personally or professionally.
