COMMITTEE MEMBER SPOTLIGHT

BRITTANY BERGERON, DDS

AAWD Director of Corporate Relations

Hey Lady Dentist!

You've probably noticed our latest efforts to engage and involve more members in the day-to-day happenings of AAWD. We are thrilled with the number of #bosslady dentists that want to be more involved and thought we should give them a shoutout for being so generous in volunteering their time to help advance women in dentistry!

Dr. Garza was born and raised in San Antonio, TX (Go Spurs Go!). She also attended dental school in San Antonio. She is an associate dentist in San Antonio doing mobile dentistry in nursing homes and in private practice in Pipe Creek, TX, and she is pursuing her dream of doing a startup practice.

When not doing dentistry, she enjoys spending time with family, biking, playing video games, and watching her TV shows, with some of her favorites including, LOST, Hannibal, Ozark, and Daredevil. She is also passionate about voting and equality and is excited to become more involved with the AAWD in joining the website committee.

She attained the position of Professor of Pediatric Dentistry and Orthodontics as well as Assistant Dean for Administration at Southern Illinois University of Dental Medicine. Dental Product Spotlight

"One of the products that I absolutely love in my practice is Sable Seek by Ultradent. It is a green dye that is a caries indicator. It also comes in a red version but I definitely prefer the green version. I use this in every single filling preparation and crown prep before completion to check for any remaining decay. It is also a great way to see fractures in teeth easier and to show them to patients. It is low cost product but great visual if you are using in combination with an intraoral camera. It also gives me a great feeling to know I have removed all the decay. I highly recommend adding it into your routine."
