

Get F.I.T. in 2022!

Strengthen your financial wellness:

A focus on **F**inancing, **I**nvesting and **T**ough times.

Join us for the first of three seminars focused on your financial wellness in 2022.

Seminar one will give Dentists the opportunity to hear about educating yourself on your financial future, both personally and professionally, and as a potential practice owner. The discussion will cover the beginning steps of moving towards practice ownership. Various aspects of lending options in the marketplace available to dentists and identifying industry experts to help you be successful in this endeavor. Hear from Bank of America Practice Solutions to get all of your questions answered.

Becoming a practice owner can be the most rewarding experience of your career, both personally and financially. The great news is that owning a practice can happen with the right planning and an experienced team to help you.

Do not miss this workshop if you have ever dreamed of owning a dental practice!

Topics of discussion

- Beginning steps towards financial wellness professionally and personally
- Identify the right time to become a business owner
- Fundamentals of practice ownership
- Explore the financing options available to dentists today
- Discover what a lender looks for when qualifying a practice loan
